

# HP 2100 Laser Printer

**Product Description** The HP LaserJet 2100 series printers are designed for people who demand uncompromising quality in everything they do and have a sharp eye for value. Most impressive is the true 1200 x 1200 dpi laser output, the highest in their class. There's also the HP UltraPrecise Toner Cartridge for sharper text and graphics plus exceptional grayscale for compelling graphic images. HP LaserJet 2100 series printers deliver 10 pages per minute with no compromise in quality. Two paper trays boost productivity. The HP LaserJet 2100 series printers pack all of these advanced features into a solution that is affordable and compact enough for virtually any working environment. The HP LaserJet 2100 is easily upgradeable to all the features your growing business will need.
