

HP 4600 Laser Printer

High quality, fast color laser printing at the same speed as black and white in an efficient, simple design for workgroups. The new Color LaserJet 4600 is HP's newest model and offers great advantages like faster print speeds, more memory and faster first page out times over its predecessor the Color LaserJet 4550. Among its many features are its new high performance inline laser engine that prints both black and color at 17 PPM and has the page out in 18 seconds.

Speed/monthly volume	
Print speed, black (pages per minute)	Up to 17 ppm
Print speed, color (pages per minute)	Up to 17 ppm
First page out, black & Color	17.5 secs (ready state); 18.4 secs (powersave); 2 minutes
